Community Transport

Transport For All

Our services provide an Affordable way for not for profit groups to travel with vehicles based at community hubs throughout Ceredigion and Carmarthenshire

Minibuses for Community group Use

We have a wide range of community minibuses that are both diesel and electric. These vehicles can accommodate 5 to 17 people (including driver), all are wheelchair accessible.

Groups are normally expected to provide their own volunteer driver. All drivers must hold a valid MiDAS Certificate and we can provide MiDAS training for your drivers if needed. If your group does not have a trained volunteer driver we have a small pool of drivers who may be willing to help.

- Trips away
- Days out
- Club outings or events
- Social activities

13 and 7 seater Electric vehicles

The vehicles are available for a wide range of not for profit groups and organisations to provide access for groups or individuals that need to access essential community services that promote community activity, social inclusion, wellbeing, access to rural health, promote community cohesion and help with regeneration.

Please call our friendly staff to discuss your needs and costs of the service.
